YOUR ONE SOURCE SOLUTION

U.S. MANUFACTURING

Our goal is simple: provide tools and solutions that make life easier. Founded and headquartered in Connecticut, we celebrated 175 years of manufacturing these tools in the United States in 2018. Our United States workforce includes approximately 18,000 employees, and we operate 44 manufacturing facilities for more than 20 brands.

40% INCREASE IN U.S. MANUFACTURING JOBS

In the last two years, through investments in our United States facilities, we increased our tool and storage manufacturing jobs in the United States by 40 percent

44 MANUFACTURING PLANTS

We own and operate 44 manufacturing plants in the United States.

18,000 EMPLOYEES

We employ 18,000 workers in the United States.

INNOVATION

SAFETY

Schedule your Power Tool & Hand Tool Safety Seminar today with Stanley Black & Decker at No Charge

VALUE: \$150/Person

FREE Tool Safety Trainings for Grainger and Stanley Black & Decker Partnership

Training teaches the proper safe use of:

- Sockets and Drive Tools
- Wrenches
- Screwdrivers
- Striking and Struck Tools
- Cutting Tools
- Gear Pullers and C-Clamps
- Torque Wrenches
- Power Tool Dust, Vibration & Control

ORGANIZATION

Reduce/Eliminate the amount of tools lost/misplaced by investing in Tool Cart & Foam Solutions

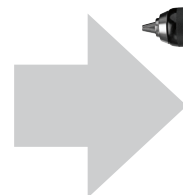

Customized Pre-Assembled Tool Bags with the tools needed for the job all in 1 kit (Order 1 Part # vs ordering multiple part #'s)

PRODUCT SUBSTITUTION

Don't throw away your broken or unwanted Non-DeWALT tools, trade them in and receive instant savings towards a new DeWALT like tool! Utilize the Trade-Up Program that is offered by the DeWALT Service Center year round to save you money.

UP TO 40% SAVINGS!
